Finances	Regional Delegates Meeting	How are Regional Trustees' expenses handled if they attend a Regional Delegate meeting? Should expenses be the responsibility of Areas within the Region? or the RT's? Is it an appropriate use of R.T. travel allowance?	1985	page 37	Open Discussions

Translations	Spanish translations	Considering there are over 4,000 Spanish-speaking groups worldwide and the nonexistence of a standing committee to gain a wide group conscience on Spanish translations, could the existing Spanish Subcommittee include "Delegate" members from Spanish-speaking countries as well as Puerto Rico, the only Area in the WSC with Spanish as its main language?	1989	page 19	Open Discussion
Al-Anon Members Who Are Also Members of A.A.	Service opportunities	Could we have an objective discussion of the pros and cons regarding dual members serving above the group level, and let the Conference make the decision as to whether or not we continue to discuss it? Can the Conference address the problem of an admitted alcoholic, not a member of AA, becoming a GR, DR and therefore a member of the World Service Committee?	1990	page 20	Open Discussion

Special Focus	Unity	It would seem less confusing if the adult children, stag, gay, men's and women's groups were to simply be called "Al-Anon Family Groups." That would eliminate any emphasis on our differences and focus on our similarities.	1990	page 19	Open Discussion
Al-Anon Adult Children	Unity	We need help concerning the feeling of separateness of Al-Anon and adult children groups. . Maybe we need more emphasis that the program is the same-just with a little more focus on growing up in the alcoholic home. Why do we perpetuate the confusion over ACOA and Al-Anon adult children groups? Maybe it's time we educate the groups as to the difference.	1991	page 19	Open Discussion
Al-Anon Members Who Are Also Members of A.A.	Service Opportunities	Dual membership as it relates to AA members serving in Al-Anon above the group level is still a problem. One group feels the Steps and Traditions are being violated with this policy. Will policy change as the membership changes? Alateens ask that service work by double winners be reconsidered to allow them to serve as Alateen Coordinators.	1991	page 19	Open Discussion

Index of Chosen Agenda Items--1976-2018

Alateen	Preteens	As there are many Alateen groups that are pre-Alateen, is the time right to recognize these groups? Is not our primary purpose to help families of alcoholics? Are there ambiguities in the policies concerning registration and age eligibility for Alateen? Will the WSO recognize "preteens?" Change our Traditions to reach "children."	1991	page 20	Open Discussion
