Who We Are:

The Southeastern Massachusetts Round-Up (S.E.M.R.U.) is a non-profit organization of LGBTs who join together to organize an annual convention. We produce a two to four day conference of persons in recovery, who observe the Twelve Steps and Traditions of Alcoholics Anonymous and Al-Anon. We offer workshops, information and social affairs which are intended not only to carry the message of AA and Al-Anon, but also to convey the spirit of joy, friendship, experience, strength and hope among those who share our special interest.

S.E.M.R.U. is a registered group of Alcoholics Anonymous and adheres to the guidelines and principles set forth by the Twelve Steps, Twelve Traditions, Twelve Concepts, the AA Service Manual, and the Guidelines for Conferences, Conventions, and Roundups published by A.A. World Services.
